THURSDAY, - AUGUST 14, 1856.

DESTRUCTIVE FIRE.

A very destructive fire broke out yesterday morning about 2 o'clock in the furniture and upholstery house of Wm. C. Moore, on Third street, adjoining Walker's new block.

The building was the formerly called Apollo Hall, and beside Mr. Moore, Jim Carter had a barbershop, and Drave & Son had a coal office in it. It was totally destroyed with all its contents.

The fire next spread to Mr. C. Frost's hardware store and manufactory, and it shared the same fate. Mr. P. saved most of his stock, but in a damaged condition. The roof of the house adjoining Mr. Frost, occupied by Barborox & Co., as a liquor store, was burnt off.

On the other side, the corner of Walker's block took fire, but by timely efforts it was prevented from spreading.

Two of the buildings were owned by the Jacob heirs, and the Apollo Hall was owned by other heirs. We do not know whether there was any insurance on them. They were old and dilapidated.

Mr. Moore had an insurance of \$4,000 in the New York Office of Philadelphia. His loss is much above this amount.

Mr. Frost had an insurance of \$2,000 in a Toronto office, and \$2,000 in the Howard, of New York, which will fully cover his loss. Barborox & Co. sustained about \$300 damage, and Mr. Kent, metal dealer, in Walker's block, suffered a total loss, and his office, on the Minnie principle, is perfectly water-proof.

SECOND WARD DEMOCRATS, ATTORNEY FOR THE DEPARTMENT AND ANTI-KNOW-NOTHINGS OF THE SECOND WARD ARE REQUESTED TO MEET AT CAPT. KASPER'S, ON THE CORNER OF GREEN AND JACKSON STREETS, THIS (THURSDAY) EVENING, AT HALF-PAST-EVENING O'CLOCK, FOR THE PURPOSE OF ORGANIZING A DEMOCRATIC CLUB.

THE "DEAN RICHMOND" AT THROUL, CANADA.—On the 24th last, the schooner "Dean Richmond," the first of the Chicago and Liverpool line, had progressed as far as Throul, Canada West.

The schooner was welcomed with a warm greeting on her arrival.

"WE direct the attention of citizens, especially those residing in the upper portion of the city, to the card of Mr. L. Bergman, proprietor of the Louisville Exchange. An excellent lunch is served up daily, from 10 to 11 o'clock A. M. Try it."

WOOLLY ALL OVER.—A wag, looking upon Frederick, with his hairy, dark face, exclaimed: "A woolly horse, a woolly head, and a woolly face. Why, he's woolly all over, by jingo, and is the touched with the tawny."

KNOW-NOTHING.—The disciples of "Sam," true to their instincts, attempted to mob the Jefferson delegation as they were filing down Market street to the Democratic meeting in New Albany, on Tuesday evening.

The recent abatement of the "heat of the term," has had a deleterious effect upon the pockets of the proprietors of our fashionable watering places. The crowds in attendance are not half so large as they were two weeks ago.

HON. J. H. JEWELL.—We understand it is the intention of this gallant and eloquent champion of the Democracy to take the stump for Buchanan and Breckinridge, in this State, as soon as Congress adjourns.

THE NEW YORK PILOT.—The 12th inst., furnishes the return from seventy-five couples to Missoni; some of these returns are not complete, however. Polk leads Ewing 2,649, and Boston 1,333.

PINE.—The house of Thomas Simpson, several South of Hodgenville, in Larue county, was entirely consumed by fire last week. All the furniture, provisions, etc., were also consumed.

THE ELIZABETHTON INTELLIGENCER is clamorous for town moral and a night watch. They are infestations very much needed, inasmuch as robberies are very frequent.

THE STEAM SAW MILL of Mr. Martin Miller, who lives six or seven miles Bardstown, near the Shepherdsville road, was consumed by fire last Wednesday morning.

THE weather yesterday was delightful. The air was cool and bracing, and the ladies in their gay costumes thronged the streets in the afternoon.

CORNER WHITES was called on about noon yesterday to hold an inquest on the body of a man found floating in the river near Shippingport.

KENTUCKY.—Everywhere throughout the Union the glorious result of the recent Kentucky elections is hailed with the utmost joy.

THE WIDOW OF LORD BYRON is still alive and hearty. She has recently purchased the residence of the late poet Rogers, in London.

THE STREETS scavengers were using their boughs upon a few of the cross streets yesterday.

E. A. DRAVES, Esq., Democrat, will speak at Bardstown on Monday, August 21st inst.

THEIR WERE 102 DEATHS in St. Louis for the week ending on the 11th inst.

OUR FRIENDS in the Southern States are luxuriating on fine peaches.

POICE COURT.—RON. W. JOHNSON, JUDGE.

AKELLY WAS on one of her periodic trips. Let off on promise.

W. A. BURKE, drunkenness and contempt of court. Sent in \$100 for two months.

WM. FAIR, an Irishman, abused a woman, does not care of his family, and goes about houses of bad reputation. Sent in \$300 to answer a month.

WORK-BOARDS.

CHARLES SHONE and John Hibbing, drunkenness and disorderly conduct. Own recognition in \$300 each for three months.

MICHAEL ALLEN was discharged.

WM. ROSE had a pistol fired at him at this time, and was severely wounded. He was sent to the hospital in \$200 to answer a misdeemeanor, and \$300 to be of good behavior for six months.

WIN. WINTER and Margaret Winter, disorderly conduct. The proof was rather vague, and the case was discontinued.

COM'Y WITH WM. PORTER vs. Mr. Cox and Rosanna Harper, peace warrant. Dismissed, prosecutor not present.

VOTING ON THE CARS.

Assume people are engaged in publishing notices on cars and steamboats, we report the following from a memorandum taken by a gentleman just arrived from the South:

Between Peru and Lafayette, Indiana—

Fremont.....\$4.

Fremont.....\$4.

Between Indianapolis and Louisville—

Buchanan.....\$4.

Buchanan.....\$4.

Buchanan.....\$4.

Buchanan.....\$4.

A FEARFUL FALL—NARROW ESCAPE.

An individual, who, perhaps, had indulged too much of the ardor, and had fallen asleep in his window, in the third story of a house on Market street, between Third and Fourth, was startled yesterday morning by the fire bells, and tumbled to the pavement. Though dreadfully bruised from the crown of his head to the sole of his feet, no bones were broken, and it is the opinion of the attending physician, Dr. Wible, that he will bear less than a dollar in a few days.

ARKANSAS ELECTION—DEMOCRATIC MAJORITY FROM 10,000 TO 12,000.

We understand a private dispatch was received in this city yesterday, stating that Arkansas had gone overwhlemingly Democratic—the majority going beyond ten thousand, and probably reaching twelve thousand! This will do pretty well for a State which has been claimed as certain for Fillmore.

THE INDIANAPOLIS SENTINEL of the 13th inst., states that the following gentlemen have accepted invitations to be present at the celebration at the Tippecanoe Battle-Ground, on the 3d of September next: Hon. John C. Breckinridge, Hon. Stephen A. Douglas, Jas. B. Clay, Col. R. B. Carpenter, of Illinois; George McCook, of Virginia, and Hon. F. J. Littlejohn, of Michigan.

RESULT OF NOT STAYING TO DINE.—A distinguished Ohio politician was returning to the city after dining out, and found himself in the Potowmack. Believing he was in the canal, he felt for the bottom, and came near drowning. He says he left the dinner party early, fearing he might be compelled to drink something.

THE ADJOURNMENT OF CONGRESS, ETC.

WASHINGTON, Aug. 10.

Very few members of either House are willing to prolong the session, though this is the importance of most of the public business still unfinished and likely to be neglected, that those who are particularly responsible for the measure of which they have the charge will, no doubt, propose to substitute the 24th for the 1st of October, to devote the entire session to the Presidential election. Mr. Jones of Tennessee, delayed a month, his views on the subject, giving his reason, as a whip, for preferring Mr. Buchanan.

As matters now stand, it is hardly to be supposed that Mr. Fillmore can carry any Southern state, and therefore, the people is greatly diminished.

The contest is fought closely between Fremont and Buchanan, and therefore the Old-Line national Whigs have little difficulty in making a choice.

MISSOURI.—It will be seen from our telegraphic dispatches, that Missouri has done better than our most sanguine friends expected. Polk is elected by an overwhelming majority, and both branches of the Legislature are Democratic—Benton.

GREAT CLOSING-OUT SALE OF CHANTILLY LACE MANTELLES!

THE LAST CHANCE OF THE SEASON!!!

DURKEE HEATH & CO. HAVE PURCHASED A LARGE LOT OF CHANTILLY LACE.

They have a large lot of Chantilly lace, and

they know which way he has gone.

If he had intended to pursue planting, the only business he knows anything about, he would have taken his negroes and gone Southwest. But we incline to think his object is some secluded spot, where the chances for discovery will be very few—and where he can live on his money in seclusion.
